Notice of a Public Workshop on the Basin Plan Amendment for the Control of Diazinon and Chlorpyrifos Discharges into the Sacramento-San Joaquin Delta Waterways

Staff of the California Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board) will hold a public workshop on the proposed Basin Plan Amendment for the control of diazinon and chlorpyrifos discharges into the Sacramento-San Joaquin Delta Waterways (Delta Waterways). This will be the final staff workshop prior to consideration of this amendment at the Central Valley Water Board hearing on June 22 or 23, 2006.

This proposed Basin Plan Amendment will include:

- Diazinon and chlorpyrifos water quality objectives for the Delta Waterways
- Total Maximum Daily Loads (TMDLs) for diazinon and chlorpyrifos in the Delta Waterways, including loading capacity and load and wasteload allocations
- A program of implementation and compliance schedule
- A surveillance and monitoring program

More information on the proposed Basin Plan Amendment, including the draft Basin Plan Amendment Staff Report, is available at
<http://www.waterboards.ca.gov/centralvalley/programs/tmdl/DeltaOP/index.html>

This workshop will provide participants with: 1) a description of the proposed Basin Plan Amendment prior to consideration by the Regional Board; 2) an opportunity to comment on the proposed Basin Plan amendment and draft Staff Report; 3) an opportunity to hear comments from interested parties on the proposed amendment to the Basin Plan.

Time and Location of Public Workshop:

Date: 27 April 2006

Time: 1 PM to 3 PM

Place: Central Valley Regional Water Quality Control Board
11020 Sun Center Drive
Rancho Cordova, CA 95670

The workshop facilities will be accessible to persons with disabilities. Individuals requiring special accommodation are requested to contact Danny McClure at (916) 464-4751 at least 5 working days prior to the meeting. TTY users may contact the California Relay Service at (800) 735-2929 or voice line at (800) 735-2922.

Who Should Attend

Groups or individuals interested in the diazinon and chlorpyrifos impairment in the Delta Waterways are encouraged to attend. This includes, but is not limited to, licensed pesticide applicators or growers or their representatives, water district managers, environmental groups, government officials or others with

California Environmental Protection Agency

interest in or responsibility for pesticide regulation, agricultural drainage, storm water management, and wastewater treatment and disposal.
